***Recommended regional competitions**

“Youth” Refers to Y10, Y12, and Y14 events

Super Youth Circuit (SYC): Youth fencers may participate in one or more Super Youth tournaments, however, only the competition where the fencer earns the most points (1 best result) will be included in the revised point standings published after the latest SYC. These competitions are one of the possible qualification paths for Youth 10 and Youth 12 events at both the March and/or USA Fencing National Championships.

Regional Youth Circuit (RYC): The RYC tournaments are held throughout the season, similar to the Super Youth Circuit tournaments. There are no national points awarded at Regional Youth competitions. These competitions are one of the possible qualification paths for Youth 10 and Youth 12 events at both the March NAC and the Y10, Y12 and Y14 USA Fencing National Championships.

The Regional Junior Cadet Circuit (RJCC) is designed to promote and develop strong regional tournaments for Junior/Cadet aged fencers who seeks competitive opportunities beyond the local and division levels but below the NAC Junior/Cadet levels.

North American Cup (NAC) refers to national competitions that award national points used to determine seeding, team selection, etc.
